Why Workplace Training Counts

VPET Conference, Hong Kong
15 May 2020
NZ context: strong training culture, small firms, good outcomes

Sources: OECD 2017, stats.govt.nz, Scarlatti
Let's not do this

Source: Educationcounts.govt.nz, Participation in Industry Training
How we can help

• Quality assured training infrastructure

• Connecting on-job learning to internationally recognised and benchmarked qualifications

• Expertise in workplace assessment, instructional design, and mapping on-job learning outcomes to formal industry qualifications

• Literacy and numeracy, foundation skills, and school transitions

• Business advisory, leadership training, and pastoral care

• Training that meets industry standards, because industry sets the standards

• Bringing together the world of learning and the world of work.
